SAMUEL VAN CISE

101 Dawn Ave, Julian, PA 16844 | 814-769-0703 | vancise@mit.edu | web.mit.edu/vancise/www/

Education

6/2018 - Expected Bachelors of Science in Mechanical Engineering

Massachusetts Institute of Technology, Cambridge, MA

Relevant Coursework:

Toy Product Design | Introduction to Architecture Design | Numerical Computation for Mech. Engineers

6/2014 High School Diploma

Bald Eagle Area High School, Wingate, PA

Salutatorian: GPA-3.95/4.0 Relevant Coursework:

Principles of Engineering | Engineering Design | Woodworking

Skills MATLAB

HTML/CSS

Solidworks/Autodesk Inventor Basic Illustrator and Photoshop

Teamwork/Leadership

2/2015 - 5/2014 MIT Toy Product Design

- Designed and created a new toy prototype using modern rapid prototyping methods
- Facilitated the team discussion to maintain productivity and creativity
- Encouraged a collaborative effort which promoted education

11/2011 - 6/2014 BEA Indoor Drumline Captain/Show Design

- Designed, composed, and directed 2014 Production Barely Human
- Direct sectional rehearsals and ensemble warm-ups

9/2010 - 6/2014 BEA Envirothon Captain and Soil Specialist

- Developed creative plans for sustainable garden on the school ground
- Worked flexibly with the team to find new methods of mastering material

8/2011 - 12/2013 **BEA Boys Soccer Team**

- Communicated with teammates in high pressure situations to accomplish tasks
- Designed team T-shirt

9/2010 - 12/2013 BEA Marching Band Battery Co-captain

- Collaborated with younger and older leaders to teach technique, drill, and music
- Arranged battery percussion parts for 2013 production closer

Experience

6/2015 –8/2015 Resident Facilitator, Physics, MIT Office of Minority Education Cambridge, MA

- Lead physics workshops for scholars of the Interphase EDGE Program
- Resolved disputes constructively among scholars concerning a wide range of subjects
- Cultivated positive work habits and problem solving skills in scholars
- Emphasize teamwork and synergy as an athletics coach for the scholars

6/2014 – 6/2016 Interphase EDGE, MIT Office of Minority Education

Cambridge, MA

- Enhanced communication skills by analyzing communications studies and giving impromptu presentations
- Mastered problem-solving skills by managing a full course load in physics, chemistry, and calculus
- Cultivated peer, staff, and faculty relationships as well as a network of support

5/2013 – 6/2014	 Head Dishwasher, Host, The Original Waffle Shop Optimized restaurant flow while accommodating customers' Oversaw sanitation of kitchen and dining facilities Maintained customer satisfaction by ensuring a quality dining 	·
6/2013 – 12/2013	 Crew Member, McDonald's Corp. Inspected to ensure quality of product before sale Managed 2-5 crew members at a time to complete tasks effice Cleaned facilities to maintain appearance 	Milesburg, PA
4/2011 – 9/2012	 Grounds Manager, Laurel Haven Vineyards Tended and controlled plant growth throughout growing sea Designed and constructed sheds to store equipment and mate Improved appearance through landscaping techniques
